

## Young Energy Professionals Forum – Awards 2018

Energy UK hosted the fourth Young Energy Professionals Forum awards ceremony on the 27 April 2018. The event saw 200 attendees convening in London to recognise and reward the outstanding work of the next generation of energy industry professionals. Those who applied, those who were shortlisted and those who won demonstrated an incredibly high standard of talent and quality in their work which was celebrated throughout the night.

With a special thank you to our host, Robert Llewellyn and our judges and sponsors who all contributed to a successful event – the YEP Forum's biggest Awards ceremony to date.
